## AMERICAN LEGION

Greetings Legion Family,

Spring seems to have finally arrived, and I'm sure we are all glad to see the warmer weather. I hope everyone has a joyous Easter, and the Post will be closed Easter Day April 4.

Work on the Cell Tower has begun, the single garage is down (thanks to Bret) and we are in close communications with the construction teams. It could get a little messy for a while, so please bear with us.

April is the month we will kick off our Officer nominations for elections, and nominations for our Legionnaire of the Year. The nominations will open at our monthly Post meeting on April 8th and remain open through our May Post meeting on May 13th. If you are unable to attend the meetings, the nominations can be made at the Club Room throughout this period.

April also brings Spring cleanup and outdoor project time. Our first cleanup day will be April 17 at 10:00 and April 24 if we need to finish things up. We have some general cleanup, planting, and trimming to do, so come on out and bring your gardening tools. Help keep our Post looking good.

For more details on the Post activities, check the calendar on our website, and follow us on Facebook at American Legion Post #164.

A happy Easter to all our Legion Family,

Jeff Shipley  
Commander

## LADIES AUXILIARY

Aux Members,

We had our first meeting of 2021, March 17. We had a good meeting. Only need more members to attend.

Sat., April 10 is street clean-up. Our street, as you know, is McDowell. Anyone available on the 10th between 9 am and noon, your help would be appreciated. We will meet around 10 am (weather permitting). It will only take about an hour of your time.

Our membership is at 130. You may pay and drop off at the Post, or pay on line.

April's meeting will be for nomination of officers, please consider holding a position.

Our deepest sympathy to Carmella Reynold's family on her passing. Carmella always donated food when called upon to do so. She will be missed by many.

Get well to anyone not feeling well and a speedy recovery.

Please bring our servicemen and women home safely.

Harriet Blagg, President

### Chaplain's Corner

Lord Jesus Christ, you died for our sins on the cross and you rose again from death. Graciously forgive us our sins, intercede for us poor sinners, strengthen our faith, sanctify us, reign us in with your holy spirit and bring us to eternal life. Amen!

Please pray for our troops and their families!

## SONS of the AL

Greeting fellow SON's,

Hard to believe its already April. Not too much to report on for this month. Our next squadron meeting will be held on 4/6/21 at 6pm. We will be having our nominations for squadron officers as well as picking our delegates to State Convention in May. I would like to thank everyone that renewed their membership this past year. Our membership is currently sitting at 105%. Great job everyone!! At our Mid-Winter conference in March, we learned that the State of Ohio will be coming out with SAL license plates. This was a long project that was started by the Past State Commanders Club and was followed up by PDC Jeff Vrabel Sr. The license plates we will be available on the Ohio BMV web site and a portion of the fee for the plate does go back to the Past Sate Commanders Club to be used for SAL and Legion programs. Please check them out and get yours ordered today!! Hope everyone has a blessed Easter Day.

164 Squadron Commander
